I don't usually read these books but I read this one as it was done by my friend Roxanne. Wow! was it a sizzler! if you read this one you will need to be hosed off afterwards because it is wayyyyyyy steamy!...lol

Roxanne did a great job with the stories though from what I could tell of this genre. She set out to Sizzle the pants off of people and I think she accomplished that very well...lol

defiantly not a read for anyone under 18!
