A LA SOMBRA DEL ARBOL VIOLETA (SPANISH EDITION)

BY SAHAR DELIJANI PDF

La casa de ladrillos rojos es grande y espaciosa y, en el jardín, una fuente azul comparte protagonismo con un enorme jacaranda centenario, que con su generosa sombra cobija un grupo de niños que juegan bajo un sol implacable. Pero esta bucólica escena esconde una realidad descarnada. Estamos en Irán, a comienzos de los ochenta, y el gobierno fundamentalista, liderado por el ayatolá Jomeini, ha iniciado una brutal depuración que afecta a miles de personas de todas las ideologías, incluso aquellas que han participado activamente en el triunfo de la revolución; perseguidas, encarceladas o aniquiladas, las víctimas del nuevo régimen dejan tras de sí miles de familias desamparadas. / Neda , Omid, , Sheida, are the Children of the Jacaranda Tree an evocative portrait of three generations of men and women inspired by love and poetry, burning with idealism, chasing dreams of justice and freedom.

A Silent Rebellion Against Dogmatism

By Andres Huertas Motta

Women were the more to lose when the ayatollahs took power in Iran, wresting it from the more progressive sectors of the Iranian society, who promptly saw their dreams of freedom replaced by an authoritarian, reactionary regime even worse than the westernized Shah and his unabashed dependency on the dictates of Britain and the US. Delijani shows us a claustrophobic world where fear, injustice and sacrifice dominate every life. And it also shows the silent resistance, the indomitable will of human spirit prevailing against the hell on Earth brought upon their land by the dogmatists of Islam. One beautiful moment in the book summarizes its homage of human valor: Leila walks the streets of Teheran with her lipstick on, her silent rebellion against the "Brothers", when a patrol car stops in front of her because her hair is showing under her dress. She quickly cleans her mouth determined to survive despite the carnage of human idiocy around her.
