Make **And God Spoke To Abraham: Preaching From The Old Testament By Fleming Rutledge** it certainly function and get all advantages.

Review

Patrick D. Miller

— Princeton Theological Seminary

"One of America's finest preachers, Fleming Rutledge opens up the powerful words of the Old Testament as they touch our human life. I really don't know anything else like this book, which both thinks about the place of the Old Testament in our proclamation and then puts it there, not just in a sample sermon but in a large collection, preached over many times and places. We need this book."

Walter Brueggemann

— Columbia Theological Seminary

"Fleming Rutledge 'puts her whole self in' to her sermons — her deep faith, her emancipated imagination, her disciplined learning, and her street smarts — of which my favorite is 'But If Not.' She 'shakes it all about' (the text) to show us new stuff. But she is not doing the hokey-pokey. She is doing powerful, compelling testimony to the God of all truth who summons us to glad obedience. If they pay attention, her listeners and readers will know 'what it's all about,' namely, bottomless grace that she faithfully finds in the Old Testament texts. These sermons merit sustained attention in a way that lets us dance with our whole selves."

Stephen L. Cook

— Virginia Theological Seminary

"If you read just one book about God this year, this should be it! I could hardly put these sermons down. Fleming Rutledge has recovered the Old Testament's unique power to reach out from pulpit and lectern and grasp us, have its way with us, and bring new reality to life among us. . . . This volume is a beacon of hope that the serious neglect and even disparagement of the Old Testament in many quarters of today's church may finally be reversed. It constitutes a rousing summons for us to again allow these wondrous Hebrew texts to renew God's people."

Andy Crouch

— Editor-at-large, Christianity Today

"These sermons, from one of our great preachers, are magnificent in the deepest sense of the word — serving

to magnify. They enlarge and bring into sharp focus the often-neglected Old Testament. They also enlarge our vision for what preaching the Word — and hearing the Word — can mean today. In an age of fluff and bombast, Fleming Rutledge's clear-eyed, grace-infused truth-telling is awfully good news."

Ellen F. Davis

— Duke Divinity School

"Eloquent, learned, driven by deep conviction of the truth of Scripture and passion for its beauty, these sermons display the virtues associated with great preaching of the past, yet the style is fresh and wholly contemporary. This volume is the fruit of a life dedicated to biblical preaching. Rutledge calls for 'a complete overhaul of preaching,' and — what is much more — she shows us how to proceed with that work."

Walter Moberly

— Durham University

"Fleming Rutledge is wonderfully lucid and engaging, robust and thoughtful. Her readings of the Old Testament nourish and challenge both heart and mind in today's world."

Philip Yancey

— author of *What Good Is God?*

"In her sermons Fleming Rutledge hits just the right chords of challenge, biblical fidelity, and graciousness. I love her style and her overall approach, and there is much to be learned from her specific applications."

Touchstone

"The sermons are engaging, and bring the significance of the scriptural narrative to life with the right about of historical contextual explanations. . . . Most importantly, the sermons provide a commendable example of the use of Hebrew Scripture as an appropriate foundation to understand the New Testament as a continuation of a long scriptural and faith tradition."

Reviews in Religion & Theology

"Fleming Rutledge's book of sermons on the Old Testament shines with God's grandeur, beauty, and power. . . . These sermons dance with God's glory and beauty."

Books & Culture

"Rutledge has a rare command of the English language. Her prose is piquant; her paragraphs stand up like starched pieces of clothing. But she is doing far more in these sermons than crafting admirable sentences. She is instructing the church about who our God, the God of Israel, is. . . . For nourishing the church's biblical imagination for over 30 years, and for offering us now this challenging and inspiring collection, we owe Rutledge deep thanks."

Christian Century

"Fleming Rutledge is the most interesting preacher today working the fault line between the mainline churches and evangelicalism. . . . This book is a primer on how to get reacquainted with the living god who spoke to Abraham and who raised Israel from Egypt and Jesus from the dead."

Presbyterian Outlook

"Reading this volume is food for the soul."

About the Author

Fleming Rutledge is an Episcopal priest now engaged in a nationwide ministry of preaching and teaching.

Her best-selling books have been widely acclaimed across denominational boundaries and have established her reputation as one of America's finest preachers.

Simply acquisition and download the soft file of this book *And God Spoke To Abraham: Preaching From The Old Testament By Fleming Rutledge*

AND GOD SPOKE TO ABRAHAM: PREACHING FROM THE OLD TESTAMENT BY FLEMING RUTLEDGE PDF

Sixty superlative sermons on familiar Old Testament texts.

Many Christian preachers today largely neglect the Old Testament in their sermons, focusing instead on the Gospel accounts of Jesus' teachings and activities. As Fleming Rutledge points out, however, when the New Testament is disconnected from the context of the Old Testament, it is like a house with no foundation, a plant with no roots, or a pump with no well.

In this powerful collection of sixty sermons on the Old Testament, Rutledge expounds on a number of familiar Old Testament passages featuring Abraham, Samuel, David, Elijah, Job, Jonah, and many other larger-than-life figures. Applying these texts to contemporary life and Christian theology, she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally, "Hear, O Israel, the Lord our God, the Lord is One."

Brilliant, Faithful, Existentially Satisfying

By Ben D.

To avoid prepping for the General Ordination Exams (that I take in two days!), I've been commenting on various year-end lists. On one "Top Theology Books of 2012," I suggested that the author check out Fleming Rutledge's collection of Old Testament sermons. It's brilliant and accessible; existentially satisfying and faithful to the biblical texts. When I simply can't bring myself to pick up the Bible, or find my own ears and eyes completely deaf and blind to it, her clear yet round-about proclamation always seems to penetrate my numbness: unclogging my ears and unscaling my eyes. Rutledge's corpus has served as a daily devotional for most of this year.

Great Devotional-Quality Book of Sermons

By Rev Casey

When did you last hear a series of sermons that deeply engage the Christian Old Testament? Rev. Fleming Rutledge provides in "And God Spoke to Abraham" a rich resource for Christians looking for serious engagement with Old Testament texts.

Rutledge is an evangelical Anglican who has served numerous churches and traveled widely as a guest speaker. Reading a sermon is never the same as hearing a sermon but they still provide a window into one congregation's engagement with the Bible. The sermons are short enough that I could read one as my daily devotional. Recommended!

Outstanding collection of sermons on the OT

By Allen C. McSween, Jr.

In my opinion Fleming Rutledge is the best expository preacher in the US. This collection of sermons on texts from the Old Testament is an outstanding resource for preachers who seek to address the full canon of scripture, "the whole counsel of God" and for laity who wish to wrestle with the God who speaks and acts in history. Highly recommended!
