BEYOND INTEGRITY: A JUDEO-CHRISTIAN APPROACH TO BUSINESS ETHICS BY SCOTT RAE, KENMAN L. WONG PDF

Beyond Integrity is neither excessively theoretical nor simplistic and dogmatic. Rather, it offers a balanced and pragmatic approach to a number of concrete ethical issues. Readings from a wide range of sources present competing perspectives on each issue, and real-life case studies further help the reader grapple with ethical dilemmas. The authors conclude each chapter with their own distinctly Christian commentary on the topic covered. This third edition has been revised to provide the most up-to-date introduction to the issues Christians face in today's constantly changing business culture. Revisions include: • 30 new case studies • Numerous new readings • 50% substantially revised • Sidebars reflecting issues in the news and business press • Summaries and material for discussion With the goal of helping readers arrive at their own conclusions, this book provides a decision-making model. Beyond Integrity equips men and women to develop a biblically-based approach to the ethical challenges of twenty-first century business.

Excellent reference for christian business ethics

By Dr. Saimond Ip (saimond_ip@mckinsey.com)

I am a Christian CEO in Hong Kong and have written a book review on this book for the Graduate Christian Fellowship a few months back. An excellent reference. Touched on many important and controversial issues including capitalism, bribery in third world, honesty, advertisement and marketing, etc. Presented many primary articles with balanced, provocative opinions from all sides. A book for the serious thinker. NOT FOR NEW CHRISTIAN BELIEVERS NOR FOR NON-BUSINESS PERSON. Only one criticism: the

editors' own comments at the end of each chapter is a bit weak; not the same calibre as the 20-30 authors.

Excellent text for a graduate level ethics class

By Photohodad

I found this text to be well written, particularly from the standpoint of restraint, by the authors from engaging in strong persuasions as I have seen in many modern texts. But rather they allow the facts or the consequences to reveal themselves and allow the reader to reason their own conclusions. It provides an excellent source for clear thinking, in respect to very convoluted issues, and reveals the reader's deeper motives - allowing for a personal review of these motives and the ability to change ideas, yourself, based on reason. Basically this text prompts you to examine your thoughts and responses, rather than to indoctrinate.

I would not say that it was good. There was good reflection on the biblical implications ...

By Bayern31

Although this book certainly was a bargain. I would not say that it was good. There was good reflection on the biblical implications of doing business, but I felt like the cases were disappointingly unsatisfying and not academic. Just like the class that the book was required for, Beyond Integrity offers a great perspective without being academic or compelling. Also, do not buy this book on Kindle! It was too hard to use the Kindle version for the class and sometimes it seemed like the Kindle version did not have sections that my classmates had.
