As an ESL teacher

By Alison

I have been looking for a good curriculum for teaching English. This one is well set up and comprehensive. It's good for teaching people who are around English but not confident in the language. It teaches is as it is spoken and not stressing on the proper English that isn't really used in day to day life.

Esta muy bien pero tiene algunos errores.

By Emmanuel Landolfi

El libro me ayudo bastante para aprender a hablar aqui en los estados unidos, sin el no podria haber aprendido lo que se, te ensenia lo principal para vivir aqui y poder conversar, nada que no interese pero tiene algunos errores en la forma de decir las cosas, no en todo pero si en algunas partes que hay que saber cuando corregirlos, lo recomiendo.

Spanish good but English only fair

By ronjohn

The book needs better editing, The author uses too many contractions, some incorrectly

We had fun using the book .some students objected to thr translation, and there dictionary agreed with them.
