Review

“A fascinating and meritorious work of legal—and moral—history.” (Kirkus Reviews (Starred))

“Powerful.... No one who cares about historical truth, freedom of speech or the Holocaust will avoid a sense of triumph.” (Publishers Weekly (starred review))

“Lipstadt gives a detailed account of the trial that never loses its suspense, readability or momentum. Or humor.” (Salon.com)

“Fascinating.... [Lipstadt] takes us into the moment and produces a courtroom drama as enthralling as any fictional one.” (San Jose Mercury News)

“Deborah Lipstadt is writing for us. And for the ages.” (Atlanta Journal-Constitution)

“History on Trial is not the first book about the case....But Lipstadt’s story is more personal, compelling and intriguing.” (San Francisco Chronicle)

“A well-paced, expertly detailed and fascinating account of the trial process.” (Daniel Jonah Goldhagen, Washington Post Book World)

“Immensely readable.... History on Trial restores one’s faith in the power of good scholarship.” (Washington Times)

“A compelling book, History on Trial is memoir and courtroom drama, a work of historical and legal import.” (Jewish Week)

“Resonant.” (Baltimore Sun)

“Compelling.... Lipstadt’s vigorous account is a window into a Jewish community still grappling with the loss of 6 million souls.” (Newsweek International)

About the Author

Deborah E. Lipstadt is Dorot Professor of Modern Jewish and Holocaust Studies and director of the Institute for Jewish Studies at Emory University. She is the author of *Denying the Holocaust: The Growing Assault on Truth and Memory*.

This is why; you need to learn even more while reading this Denial: Holocaust History On Trial By Deborah E. Lipstadt This is not just just how quick you check out a publication and also not only has the amount of you completed the books; it is about what you have gotten from guides.

DENIAL: HOLOCAUST HISTORY ON TRIAL BY DEBORAH E. LIPSTADT PDF

In her acclaimed 1993 book *Denying the Holocaust*, Deborah Lipstadt called David Irving, a prolific writer of books on World War II, “one of the most dangerous spokespersons for Holocaust denial.” The following year, after Lipstadt’s book was published in the United Kingdom, Irving filed a libel suit against Lipstadt and her publisher. She prepared her defense with the help of a first-rate team of solicitors, historians, and experts, and a dramatic trial unfolded.

Denial, previously published as *History on Trial*, is Lipstadt’s riveting, blow-by-blow account of this singular legal battle, which resulted in a formal denunciation of a Holocaust denier that crippled the movement for years to come. Lipstadt’s victory was proclaimed on the front page of major newspapers around the world, such as *The Times* (UK), which declared that ‘history has had its day in court and scored a crushing victory.’”

"Denial" A Useful Guide to Challenging False Narratives.

By Doctor Who

I was familiar with the legal cases that were at the heart of this book and the related film, and having taught and written about law and literature, and the role of story in explaining legal issues, whether in text or film or other media, I was anxious to see this film, and ordered this book on which it was based for my kindle to read before the film came to our theater. I would have liked to see more detail on the legal issues that were used to undermine the holocaust denier in the film, but obviously this book could cover more ground and the film was more focused. I recommend reading the book and then seeing the film, or renting it. It is something appropriate for library or community or religious group presentations/discussions. It feeds into the broader issue of 'alt-reality' whether in climate change denial, or misrepresentation of any political/economic/factual dispute in current public discourse. I would have liked to have seen a little more context in this book and the film based on it to show how the issues it raises are pervasive in our society in many ways today. Read it and weep.

Thought provoking

By Lisa Kemes

I loved this book and how it was written. The fact of the case were made clear and the underlying issue of antisemitism was exposed. Fascinating read!!

2 of 4 people found the following review helpful.

which are incredibly useful. I am a trial lawyer

By Amazon Customer

Besides the subject matter an interesting aspect is the thought given to cross examination. That is a pillar of litigation and the British system has refinements , as pointed out, which are incredibly useful. I am a trial lawyer, so I have an idea of court room demeanor.
