Great Idea!

By Amazon Customer

This is my first book rental ever online, & I think it's a really great idea to do this since books are way too expensive now and days to just use for one semester & not ever use again. The only issue I came across with the book was that in some pages they are written on.

Writing in book

By Wayne Moore

Lots of writing in book. Hard to read certain spots because sentences are written over. Was not listed with writing in book. I took pictures of it but it won't let me post them.
