Easy Company of the 506th Parachute Infantry Regiment of the 101st Airborne Division has become one of the most famous small units in U.S. history, thanks to Stephen Ambrose's superb book *Band of Brothers*, followed by portrayals in film. However, to date little has been heard of Fox Company of that same regiment—the men who fought alongside Easy Company through every step of the war in Europe, and who had their own stories to tell.

Notably this book, over a decade in the making, came about for different reasons than the fame of the “Band of Brothers.” Bill Brown, a WWII vet himself, had decided to research the fate of a childhood friend who had served in Fox Company. Along the way he met Terry Poyser, who was on a similar mission to research the combat death of a Fox Company man from his hometown. Together, the two authors proceeded to locate and interview every surviving Fox Company vet they could find. The result was a wealth of fascinating firsthand accounts of WWII combat as well as new perspectives on Dick Winters and others of the “Band,” who had since become famous.

Told primarily through the words of participants, *Fighting Fox Company* takes the reader through some of the most horrific close-in fighting of the war, beginning with the chaotic nocturnal paratrooper drop on D-Day. After fighting through Normandy the drop into Holland saw prolonged ferocious combat, and even more casualties; and then during the Battle of the Bulge, Fox Company took its place in line at Bastogne during one of the most heroic against-all-odds stands in U.S. history.

As always in combat, each man's experience is different, and the nature of the German enemy is seen here in its equally various aspects. From ruthless SS fighters to meek Volkssturm to simply expert modern fighters, the Screaming Eagles encountered the full gamut of the Wehrmacht. The work is also accompanied by rare photos and useful appendices, including rosters and lists of casualties, to give the full look at Fox Company which has long been overdue.

Excellent details

By J. A. Leslie

An amazingly detailed book with excellent references to names, places and battles. No matter how much I've read about WWII, I'm continually stunned at the job done by "The Greatest Generation" in horrible conditions while witnessing gruesome endings to their close friends' lives. The world cannot thank them enough for granting freedom to so many!!!

The best

By Belle

These guys were truly awesome! Their story is so memorable! We could not loose with men like the 101st and they keep going! Great book very well written! A must read!

Great biogrpahy of F company

By Amazon Customer

Great biography of F company with many letters from its members. An easy read with lots of details and personal narratives in the form of letters to home.
