Winner! 2009 AATE Distinguished Play Award, Best Adaptation

Based on the masterful adventure novel by Robert Louis Stevenson, *Treasure Island* is a stunning yarn of piracy on the tropical seas. It begins at an inn on the Devon coast of England in 1775 and quickly becomes an unforgettable tale of treachery and mayhem featuring a host of legendary swashbucklers including the dangerous Billy Bones (played unforgettably in the movies by Lionel Barrymore), the sinister two-timing Israel Hands, the brassy woman pirate Anne Bonney, and the hideous form of evil incarnate, Blind Pew. At the center of it all are Jim Hawkins, a 14-year-old boy who longs for adventure, and the infamous Long John Silver, who is a complex study of good and evil, perhaps the most famous hero-villain of all time. Silver is an unscrupulous buccaneer-rogue whose greedy quest for gold, coupled with his affection for Jim, cannot help but win the heart of every soul who has ever longed for romance, treasure and adventure.

Got it for my son

By Bethany Ruffino

I bought this for my son. He is doing this play with a local theater group and wanted to be able to hi lite and write in his script. Since the group only rents the scripts he couldn't do that. Now he has his own copy to write in and can keep it as a memento forever.
