This book has really caught my attention. Possessed a very exciting plot and that makes me more eager to read each page. There are lot of unpredictable twists. I enjoyed every minute of it. It really jumped off the page. I will be reading everything from this author. I do really enjoyed this book a lot. Perfect for your free time. The main characters were very awesome. There was plenty of romance and drama. Also the story flowed pretty well. This is the first book I've read by this author but I would definitely read more.

Hot and wild romance story that I am pretty sure you will enjoy reading it as much as I do. The story started when Melissa has to apologize to Meghan for a trick she and Andrea played on her, Meghan gets a totally unexpected apology, and she likes it. You will find out what happened next and it is so exciting. Recommended.

By Connie Hafiz

I sometimes download books from Amazon on a whim and this was one of those. Glad Chasity Taylor gave me my first lesbian romance reading experience. It's not my usual genre, and I'm as straight as a pole but I did find it quite enjoyable. Didn't know I was missing out. This book was H-O-T!
