Hello, Woody

By L. K. Whitley

My grandson loves all things about Toy Story so he loved this book. The story is not long nor complicated. Just a basic Christmas story that teaches that presents aren't everything. I would recommend it.

Sweet book with an important message

By ToxicWasteMermaid

While this book is shorter than we expected, it really has a beautiful message for children. It teaches them that presents aren't what Christmas is all about (doesn't have the biblical perspective...but it teaches them that real friends won't care if you can't get them a present and that you can still have fun together without presents. The kids loved this story and the illustrations are pretty great as well.
