Leigh* in only soft data system that could be opened up every single time you really want as well as all over you require without bringing this *Peace, Love, And A Dead Hippie Chick: A Novel By N.R. Leigh* prints in your hand.

Review

From the Editor In her wonderful, entertaining debut novel, N.R. Leigh takes us on entwining odysseys with three distinct, beautifully formed and complex young women each on a journey of the heart and self-discovery. Told in intimate diary form, Leigh's characters lay bare their psyches, sexuality, and spirits as they cross the country, encounter danger, and have believable but often freewheeling adventures where the consequences are as compelling as their tender hearts and juicy predicaments. It was a pleasure to work with Leigh as she polished her complex, engaging book. - Kathryn Galan

From the Author

I'm excited for readers to meet all of the lovable--and some not so lovable--characters of this story (think: a female version of *Into the Wild* meets *Breaking Bad*!) Choosing the 1990s as the time period was easy since it was the era in modern American history just before we were so connected. Before social media, smart phones, and Google maps. A time when it was easier to get lost. My goal while writing this book was to take readers off the beaten path, to places outside their comfort zone, and to entertain the heck out of them. I hope they enjoy the trip!

About the Author

N.R. Leigh began her writing career in 2007 as a featured columnist for the guerrilla newspaper *The Uncommon Sense*. She since has written books as an expert on personal health and wellness under the pseudonym Nicci Leigh. *Peace, Love, and a Dead Hippie Chick* was inspired by a newspaper article on the havoc a group of hippies caused in N.R.'s home town, coupled with her own experience traveling across the United States in her early twenties. She lives in southwest Florida with her family and Australian Kelpie. www.NRLeigh.com

PEACE, LOVE, AND A DEAD HIPPIE CHICK: A NOVEL BY N.R. LEIGH PDF

It's the 1990s, before Google maps and cell phones, and three young women get lost, some because they want to. They crisscross the country in this coming-of-age story where peace and love are good intentions until someone gets hurt...

KARA escapes from home with a secret she cannot hide much longer and flees deep into the New Mexico wilderness, a seemingly vast place to a simple Midwestern girl. AMY, who has been parenting her drug-dependent mother, falls for an exotic drifter passing through town, becomes love-struck, and decides to follow him on a romantic, inspirational adventure. NATASHA, born into privilege, rebels against her family's expectations and joins the Grateful Dead tour circuit, selling contraband and relishing in her sexual freedom until one bad deal too many catches up with her.

When teenaged GRAE climbs into a rusted Volkswagen van hidden on her family's property, she finds journals from the '90s documenting these three women's intertwining journeys. She finally discovers the truth about her mother, along with what really happened over those dramatic six months that connected them all forever, as each woman searched for freedom and found much more than she bargained for...

Unique story - a must read!

By Cynthia

This is an adventurous, emotional, and exciting story of three young girls on their journey to become the women they are destined to be and how they played an important role in each other's lives without even knowing it. Right from the start the reader is drawn in to each of the character's stories and finds themselves eagerly reading to discover what happens next along the three very different roads.

Leigh captures the essence of each Natasha, Kara, and Amy in a way that is genuine and honest, pulling the reader in to see themselves in each of the characters through their strength and sexuality, courage and discipline, and love and spirituality. The manner in which the book begins and ends gives the reader a sense of completion and solace once the final page is turned, knowing that everything is as it should be and also leaving the reader with a sense of excitement in discovering their own destiny. Leigh gives meaning to every person in our lives through some of her final words spoken by the supporting character Rock:

"Ultimately, we can say that everyone we meet and love throughout our lifetime is our soul mate. That's the definition of a soul mate—those souls whose spirits align with ours at any point along our journey. They may come and go from our physical world, but our spirits are linked for eternity..."(pg.247)

Overall, this is a fast-paced novel that reads quickly and easily. A unique story unlike any I've ever read that opens the door to a world full of sex, drugs, and rock and roll with a very spiritual "hippie" vibe. Definitely one I would recommend!

I was given a complimentary advanced copy of Peace, Love, and a Dead Hippie Chick in exchange for my honest review.

U GOTTA Read this!! Woweeeee!!!

By Phaedra

Wow!! What an exciting book!! With all of the stories beautifully woven together! Brilliant writer and beautiful lessons to learn here. The cover of the book...really is intriguing. That caught my eye.

I didn't want to put this book down!
