Solid Reader for Upper Level ESL Classes

By J. Straight

I used this text in an advanced ESL community college class. The texts are high interest and include appropriately challenging vocabulary, reading and writing/conversation extension exercises. My only complaint would be the length; I wish it had a few more chapters. Also the cost is a bit high, given the slim size of the text. Otherwise, I highly recommend it.

Terrific book for EL students

By rebecca jarvis

I purchased this book to use in an advanced English learners classroom. I'm pleased with the layout and content. Each chapter has a reading based on a theme. There are pre-reading, skimming, and paraphrasing exercises, sections for dictionary using skills, word forms, short essay questions, a quiz, and more. It's an appropriate level for my class, and we will get a lot of use out of the exercises. It arrived quickly from the seller and in great condition.
