Review

"An extraordinary and complete work ... [Pimp C was] the most important and influential musician in Southern rap history." - Music journalist Matt Sonzala

"A work of intense reporting and deep love by Julia Beverly, the founder and often one-woman engine behind Ozone magazine ... it's a virtual ticktock of Pimp C's life, covering his school choir days; his early years as a producer; UGK's success; his drug use; his many squabbles; his criminal history; his family life; the comeback that never quite came; and the legal troubles that dogged his estate after his death, from a combination of prescription cough syrup intoxication and sleep apnea. It also ends up being a document of the last innocent days of Houston rap, before eyes and hands were fixed on it." - The New York Times

"Fascinating, well-researched biography of a brilliant, troubled, flawed, talented, compassionate individual who changed the world despite all that stood in his path ... [SWEET JONES] shattered every single assumption I would make about rappers - the book humanizes him and his family and friends, and exposes his genius and his flaws ... an incredible story - hilarious, difficult, tragic, and frustrating throughout." - Professor Andrew Cencini

"One of the most entertaining and informative rap books that I've ever read ... I gained a whole new level of respect and understanding of [UGK] through the book. [It] took me into that world, into Short Texas, into Bun B's mind, into Pimp C's life ... It's almost like an action movie ... an astounding piece of work ... I only hope it gets all of the praise and exposure it deserves and inspires a spate of deeply researched books in the genre." - Music journalist Kris Ex

From the Back Cover

"[Pimp C] was brilliant, but he was mad; he was a little nutty. He was a madman, and he really didn't give a shit. That's what was so endearing and refreshing about him, and what made him such a special person ... [He] had a rough exterior but underneath it all he had a big heart and was really just a good person who was - as many artists are - just frustrated, [trying] to get his voice heard." - Barry Weiss, former CEO of Jive Records

"I wouldn't be here without [UGK] ... All it takes is one person to do something and make everybody else feel that they can do it too. And they was one of the first to do it." - Lil Wayne

"[UGK] gave birth to Southern rap. UGK made it cool to be country." - Scarface

"Pimp C helped lay the foundation that we stand on where Southern Hip-Hop music is concerned." - J. Prince, CEO of Rap-A-Lot Records, Raw Report DVD

"I grew up on 'em. If it wasn't for UGK, Ludacris probably wouldn't even be here." - Ludacris, The Final Chapter DVD

"[Pimp C] was a revolutionary. He was an undercover agent of God. [To] change people's lives, you gotta be able to get into spots where people need the most help." - Kool Ace

"Pimp was larger than life. I honestly thought he would live forever." - Nancy Byron, Pimp C's publicist, The Source Magazine

"The [posthumous] music doesn't really matter to me. I'd give it all back if I could have my friend back." - Bun B, Houston Chronicle

"As we keep a lighter up for the Pimp, it's only right that we remember him not just for his often-under-rated musical contribution but also for his indomitable, smack-talking spirit." - The FADER

About the Author

Julia Beverly solidified her position in the male-dominated urban music industry as the CEO and Editor-in-Chief of OZONE Magazine, which she founded in 2002. Tagged as "your favorite rapper's favorite magazine," OZONE carved out a unique niche with its raw and uncensored journalism style and gained a solid following in the crowded urban marketplace. OZONE was instrumental in introducing Southern rap's biggest names, such as Pitbull, Young Jeezy, Rick Ross, Lil Wayne and more, to the mainstream.

In 2006, Beverly extended the OZONE brand to include a star-studded award ceremony. In addition to freelance photography and journalism for VIBE, The Source, URB Magazine, and the Miami New Times, Beverly herself has been featured in publications like Businessweek and the Orlando Sentinel. Her work with OZONE has generated press in the New York Times, the New York Daily News, the New York Post, the Miami Herald, the Houston Chronicle and more.

In 2008, Beverly launched another successful venture, Agency Twelve, a booking agency which secures artists for concerts and appearances all the way from Hong Kong to the remote regions of Alaska. In addition to her work as a booking agent, Beverly has toured internationally with many artists and served as pop star Flo Rida's videographer. An avid distance runner, she has run races everywhere from the cold streets of Iceland to the Great Wall of China and aims to spark renewed interest in fitness among the Hip-Hop community.

SWEET JONES: PIMP C'S TRILL LIFE STORY BY JULIA BEVERLY PDF

A pioneer in the South's quest for respect in the Hip Hop world and one of the most colorful characters to emerge from the music scene which ultimately topped rap charts at the turn of the century, Chad "Pimp C" Butler's controversial life - and suspicious death in 2007 - left behind many unanswered questions, a family divided, and scores of talented new artists inspired by his group UGK's music. Sweet Jones pays tribute to the extremely talented - yet bipolar and complex - musician who embodied the Southern dream. Written by the founder and Editor-in-Chief of esteemed Southern rap publication OZONE Magazine and compiled from interviews with Pimp C himself, his mother and manager Weslyn "Mama Wes" Monroe, UGK rap partner Bun B, and hundreds of friends, family members, and collaborators like Snoop Dogg, Scarface, Too \$hort, 8Ball & MJG, Jazze Pha, David Banner, Mannie Fresh, Paul Wall, Slim Thug, Trae, and Willie D of the Geto Boys, Sweet Jones is a must-read for any Southern rap fan.

Great biography. Incredibly well written and a fascinating read that's hard to put down.

By J T

Listen, I grew up on UGK. I thought I knew it all. I was on the web in 95, and because of this, I figured I knew just about everything there was to know about not only UGK, but Pimp C and the southern rap phenomenon. I was totally wrong.

This book is absolutely amazing. In more of a documentary writing style: Ms. Beverly uses the troves and troves of interviews, video clips, song samples, lyrics, and media reports to characterize the entire life of Chad Butler (Pimp C). Although a lot of the stuff in the book, I was definitely familiar with; I was only aware of it completely out of context. I believe the purpose of this book is to provide the context for the life that was Chad Butler, and give the public a chance to see the man behind the Pimp. If so, this book does an absolutely stellar job of doing just that.

It should be worth noting that the book comes without the cooperation of The Estate of Chad Butler, nor his wife. However, his mother (who passed away in 2011), Bun B, and plenty of other Southern Hip-hop figureheads gladly provided content for the book, and it's hard to say it would have been "better" even with Chinar'a support.

The life, story, and elements of this book could easily be the backend of an absolutely amazing film one day. I'm not holding my breath, although I think it would be an EXCELLENT book to base a movie on as well, the fact that UGK and Pimp C is still a very niche talent to most, and also the fact we still don't even have a Tupac movie, or hell even a Geto Boys movie, leaves me with little hope. However, the fact that book is so well written, and EXTENSIVELY documented and presented, I'm hopeful there is a film at some point as well.

The last thing I'd say is that it is LONG. Never a chore to read, but be ready to spend 5-6 hours reading and not make it very far. It's really great to find a biography that's longer than a few hundred pages, and clearly presented by a person who has a passion for the subject and the character that was Pimp C.

Essential reading for every southern rap fanatic.

By Matthew Sonzala

Honestly have never read a book about a rapper this thorough. I knew that Julia Beverly would do a good job with this, but honestly I have no idea how she dug up so much information and went so deep. This truly is the story of Pimp C's life. 700+ pages, rife with incredible photos from what I assume to be his mother's archives.

Begins with his childhood in Port Arthur and then just takes you on the wild ride that was his life. I thought I knew a lot about UGK (I know Bun pretty well and knew Pimp alright) but there is so much information in here. So many personal stories and recollections and it's all put together in a very coherent manner.

The stories from his time in prison reveal a lot of things I'm pretty sure no one knew about, and the post death stories, speculations and memories made me super emo. But I'm already super emo. Real talk this is a very complete work and something every fan of the man who basically invented southern rap music should read.

ABSOLUTE MUST READ!!!!

By Shenika Snowden

WOW! This book is definitely a must read for any UGK fan or hip hop fan in general. I couldn't put the book down. I finished in just over a week and would have been done earlier if I didn't have other things to do. This book was so well written you feel like you know every person personally. When I first got the book I was slightly overwhelmed that it was more than 700 pages, but it was not boring at all and didn't feel like it was that long. Honestly I felt like I could have read more. I'm so thankful that Julia Beverly wrote this book because it was definitely needed. I recommend that any and everyone read it. I've been a UGK fan since I was around 13 and I'm now 27 and I now feel like I REALLY KNOW UGK thanks to this book. I'm going to read it again... and again. AH-MAZING JOB!!!
