**BRIEF SUMMARY** 

Chanel is a beautiful woman who is use to getting the men she wants. She has everything going for her, and when it comes to the men she plays with, it leaves the door open for trouble. The trouble she is faced with has her seeking revenge.

#### **THOUGHTS**

This is my second book by Samone Watkins, and I love me some Samone. This book was crazy with all the plotting of revenge and who's in on it. The moment the story started and we are being introduced to Chanel, her life seemed a bit interesting with the revolving door of men. This made the plot more interesting as I was trying to figure out what will happen to cause the need for sweet revenge. As more of the plot starts to unfold and more characters gets involved, Chanel became consumed; so consumed, that I do not want to be on her bad side if she wants revenge. Dario, I liked him. Didn't know what to expect from him, but he was working with a lot and gave a lot of sexy scenes. Her best friend, Tiffany, I liked her storyline; although I wish I had a bit more insight in her relationship, though the story isn't about her.

As for the end, I think the person in question got what he deserves and who was behind everything was an interesting twist. The book had errors, but again, didn't care and it didn't detract from a good story.

I really tried to look over the editing but I will address it. It was very bad! however, I will continue to read more from this author because her stories are well put together.

Chanel and Tiffany are best friends who live together and work together at one of the top event planning firms. Chanel is the beautiful one that can get any man that she wants and desires. Tiffany is beautiful as well, but she doesn't have the charm and beauty like Chanel does. Men are attracted to Chanel like bees are too honey, including the powerful Andrew Beamer. Andrew Beamer is a man that gets what he wants, when he wants and that includes Chanel. Andrew didn't know that getting her would be such a challenge though...After turning down all of Andrew's advances, Chanel realizes she makes a mistake..A mistake that causes her to seek the sweetest revenge...
