7 year old 2nd grader loves it!

By MomKnowsBest

Great kids "scary" book series. My 7 year old son loves the Goosebumps series so we bought this on a whim and it was a big hit. He's already asking for more! Its hard to get kids into reading now a days with all the cool electronics but this series is a winner so far. He also read the Cheeseburger story and liked it alot. You can't beat amazons prices either! Highly recommend.
