## Review

'What distinguishes the series from all the others is the zest and freshness of the text. Where the emphasis in other series is on plain and straightforward language, Cambridge English Reading texts typically use very modern expressions and the dialogue is faster moving. This has an impact on the quality of the audio cassettes, which make for very enjoyable listening.' David R. Hill, Survey Review: Readers, ELT Journal

'It was only a matter of time before a major ELT publisher set out to challenge the market dominance of Penguin Classics in the area of readers ... CUP have hit back admirably. With something for everyone in your classes, this series is well worth investing in. In fact, it's going to be a difficult act to follow by other publishers.' IATEFL Issues

'The series breaks new ground in two respects. The first is the light and informal style of writing. It is notoriously difficult to write fluent prose using restricted lexis and syntax. Part of the secret is to use word and grammar lists flexibly; but it requires flair and a good ear to produce prose and dialogue that read so well and give such a genuine flavour of modern idiom.' English Teaching Professional

'These were a very good read: exciting fast-moving stories at all levels, and a good mixture of subjects. Most touched on up-to-date themes, such as corruption, refugees, psychology, hunger, feminism, or ecology without being prosy, or moralising.' BaNina Vivanco, SATEFL Newsletter Vol 19 No 3

'This is a well presented, authentic looking series of readers that students should enjoy. They are graded into five levels, and the accompanying cassette will be useful, especially for pronunciation - audio versions are very popular with students.' Josephine Caruana, Network News, Issue 34

## About the Author

Sue Leather (MA) is a full-time ELT consultant and writer. She has been writing original learner fiction since 1990, and is now also an editor. In 2000, she set up her own consultancy group and now works on

educational projects all over the world. Her main interests within ELT are materials development, teacher training and trainer training. Currently, Sue is Series Development Editor on the new Page Turners graded reading series.

a good one

By Mr. Danail Stanev

Pleasant to read at the airplane.

However it's not recommended if you wish a high quality story.

Interesting characters.

All in all, a good read

0 of 0 people found the following review helpful.

Exciting!

By Kyoko Chiba

It was easy for me to read. When I understood what the Amsterdam Connection was, I was convinced of the mystery.

3 of 3 people found the following review helpful.

The Amsterdam Connection

By Fahjung Med

The Amsterdam Connection is a mysterious story. It is about the reporter Kate Jensen who traveled to Amsterdam where her friend, Max, was found dead there. The police in Amsterdam concluded that Max was killed by a pickpocket. But Kate didn't believe. She thought it had something more than that. Then, she decided to prove it by her self and she found that her friend's death involved with the football club. From this even, Kate thought that even football is fun but it can be dangerous at the same time.

This book is one story that can draw the reader to follow till the end. It makes the reader think of the mystery all the time. The reader will guess who is the murderer through the story. However, it is less exciting, when compared to other mysterious books.
