THE BOYS OF ADAMS' BATTERY G: THE CIVIL WAR THROUGH THE EYES OF A UNION LIGHT ARTILLERY UNIT BY ROBERT GRANDCHAMP PDF

Raised from Rhode Island farmers and millworkers in the autumn of 1861, the Union soldiers of Battery G fought in such bloody conflicts as Antietam, Chancellorsville, Gettysburg, Spotsylvania, and Cedar Creek. At the storming of Petersburg on April 2, 1865, seven cannoneers were awarded the Medal of Honor for heroism in the face of the enemy. This history captures the battlefield exploits of the "Boys of Hope" but also depicts camp life, emerging cannon technology, and the social backdrop of the Civil War.

Excellent history of a Northern field artillery battery in the Army of the Potomac. This volume also sheds light on the origins of all 8 batteries that came from the 1st Rhode Island artillery regiment. Very similar situation to the Confederate Washington Artillery companies. Lots of personal touch and insights into day to day life of an artillery battery. The volume follows the battery from organization through the various campaigns of the AOP and the Sixth Corps. While the volume was a little bit pricey, I found it very worthwhile as I have a strong interest in Civil War Artillery unit history.

A great history and reference about Union Artillery & the soldiers lives

By Douglas L. Beste

I was a bit worried about getting this book because of the price and it turning out to be a dud. This is a great buy! This covers more than just union artillery training and tactics. This covers how the AoP evolved its use

of artillery and it's command of artillery. How Rhode Island turned out the best cannoneers during the Civil War and how this group of young boys grew up and became some of the bravest and toughest of them. It is also very easy to understand the story Mr Grandchamp is telling. He does not stray to far from the lives of the cannoneers of battery G when he puts the context of what is happening around them in the AoP during the war. He only show some favoritism for the generals from RI. I do think a new reader who whats to get into the Civil War readings, this should be one of their 1st books.

By George Potter

Purchased this as a Christmas gift for my Mom. My Great-great-great grandfather was one of the seven members who received the Congressional Medal of Honor for his actions with Battery G at the Battle of Petersburg, Va. on April 2, 1865. Mr Grandchamp did a wonderful job telling the history of this Battery and their bravery in this battle in particular !!
