A take to bed book for young ones.

By J.H.C.

I had purchased several "I Can Read" books when my boys were young, "(Pickles) The Fire Cat" was their favorite,

I don't know why, but I started thinking about the book and looked it up, I purchased two copies to send to a grandson and to two of my great-grandchildren. Not only is this book easy to read, but it has a message that young ones pick up on. It is a great book that should be in every young child's library. It is a 'take to bed' book!
