THE NYONYA KEBAYA: A SHOWCASE OF NYONYA KEBAYAS FROM THE COLLECTION OF DATIN SERI ENDON MAHMOOD BY DATIN SERI ENDON MAHMOOD PDF

This longtime Malaysian fashion icon was originally a long, straight, Arab-inspired top of plain woven cotton. The Nyonyas, the women of the early Peranakan community, gradually transformed it into a shapely, embroidered, translucent blouse, fastened with a set of chained brooches and worn with a matching hand-drawn batik sarong.

Sheer, romantic, alluring, yet sedate, the designs of Nyonya kebaya crosses several generations and cultures.

This book showcases the collection of Datin Seri Endon Mahmood, wife of the Prime Minister of Malaysia.

beautiful machine embroidery from Malaysia

By J. K.

This is a beautiful book. Informative text and excellent photos educate as well as inspire. Anyone who appreciates embroidery will be impressed by the traditional Malaysian machine embroidery used on these lovely and striking blouses. Designers and embroiderers would find this book a wonderful addition to their reference libraries: colorful embroidery and delicate cutwork are combined in a way that most non-Asian readers would probably find delightfully novel. The history and social context of the kebaya are interesting and are clearly described, but for me the best part of the book is the photographs of vintage kebayas. In many cases, close-ups are provided so that details of the embroidery can be seen clearly. This is not a how-to book, but some technical information is provided. However, it is a delightful design reference for any embroiderer or digitizer.

such a rare book

By Peter

It's by no means a coincidence that this book was published a mere two years before her passing away. With this book, Datin Seri Endon Mahmood made an invaluable contribution to the revival and to the introduction to the world of the diminishing Peranakan culture, one of the highest unique achievements of maritime Southeast Asia, mainly the Malay Peninsula (Malaysia and Singapore) and Java (Indonesia).

This book is for everyone whether they are artists, designers, historians, or just plain collectors. It brings the reader to the old days gone by, to the contemporary, and to what the future might hold. Her love of the Sarong Kebaya and its associated culture shows in the details of the presentations of this book. That itself is a work of art.

Great Book For Asia

By QuaChee

This coffee-table book has beautiful pictures of the Asian models wearing beautiful intricate nyonya kebaya. Set in some old Peranakan (straits Chinese) houses, the photographs show the elegance of the kebayas. An inspiring book of good photography, bringing readers to appreciate the beauty of Asia.

This book inspired us to published our book, continuing the works of the late Datin Seri Endon Mahmood of promoting Malaysian arts & crafts: Batik Inspirations - featuring top batik designers. Similarly, there are background of Peranakan homes, but this time with models wearing dresses made from batik Malaysia. Batik Inspirations - featuring top batik designers
