THE POETRY OF SEX BY SOPHIE HANNAH PDF

The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah

'We've been at it all summer, from the Canadian border to the edge of Mexico . . .'

It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it.

Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere.

Sophie Hannah has published five collections of poetry. Her fifth *Pessimism for Beginners* was shortlisted for the T.S. Eliot Award in 2007. Her *Selected Poems* is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently *The Carrier*. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

Most helpful customer reviews

3 of 3 people found the following review helpful.

I liked it

By Cabellero

This is more about the poetry of love with some sex thrown in for good measure. Most of the poems are

sweet but there are explicit poems such as "The Platonic Blow (A Day for a Lay)" by W. H. Auden. The authors range from: Elizabeth Barrett; John Donne; William Shakespeare; to modern authors including Sophie Hannah who edited the volume. I enjoyed most of the poems and I strongly recommend purchasing it for your bookshelf.
